

Mol3005 Immunology - Fall 2026

Course coordinator: Trude Flo (trude.flo@ntnu.no) and Markus Haug (markus.haug@ntnu.no)

Curriculum: *Janeway's Immunobiology, 10th edition* or *Kuby Immunology, 8th edition*

Compulsory assignment: The compulsory assignment is due **October XXth, 2026**.
The assignment must be approved before taking the exam. See "Course work" in Canvas.

Lectures: Lectures are on Fridays **from 10.15 – 12.00** (Helgasetr 02-034, KA12 on Oct. 23rd).

Colloquia: The colloquia are planned the week following the lecture on **Tuesdays from 14.15 – 16.00**, starting from September 1st (different group rooms, Helgasetr). The lecturer will provide questions, topics, a case or a paper for discussion and will visit the colloquia for Q&A.

The lecture plan is tentative. Dates, times and locations may change (check latest info on "timeplanen").
